

Certificate of Research Internship

Dear Sir or Madam,

I am Mr. TAKIGUCHI Tetsuya, supervisor of Mr. SINDT-BARET Yanis. This is to certify that Yanis SINDT-BARET is currently enrolled in a research internship program nommé “Développement d'une plateforme de formation intelligente sur le Deep Learning” (Development of an intelligent training platform on Deep Learning) in my laboratory.

Mr. SINDT-BARET Yanis is working under the supervision of our experienced researchers as Dr. HASCOET Tristan, ex- INSA Lyon student. The internship program is designed to provide SINDT-BARET Yanis with hands-on experience in research and to develop SINDT-BARET Yanis research skills, but also other skills, as Machine learning, Web and software development.

This research internship program requires Mr. SINDT-BARET to work 4 days a week at our institution. It would be equivalent to 8 TIUs credit (Japanese credit).

Sincerely,
